REBEL YELL – Statements

Specification

Rebel Yell frames are designed and manufactured for use within high usage areas such as education and commercial break-out and informal meeting areas.

Rebel Yell are constructed from 60mm x 20mm x 1.5mm rectangular mild steel to create a simple but robust frame and you can choose from an extensive range of colours and finishes. Other frames sizes can be quoted for and manufactured.

Rebel Yell frames are supplied fully wrapped for protection and can be either collected from our warehouse or delivered for a charge. Delivery is made by our own unliveried vehicle.

Rebel Yell frames are supplied with welded fixing tabs for woodscrews as standard.

Rebel Yell frame come with black plastic non-adjustable feet as standard, but we can quote for adjustable feet, castors and floor fixing plates at your request.

Rebel Yell frames can be made for the outdoors as we apply a primer before powder coating. If our product is to be situated near the sea or onboard ships, then we recommended all frames are sandblasted before being primed and powder coated.

Rebel Yell frames and tops will be delivered together however to reduce risk of product damage the customer is to fix the tops on site and provide the relevant woodscrews, for 25mm tops 3/4inch woodscrews.

FOR LARGER QUANTITIES OR SPECIAL SIZES PLEASE CONTACT OUR OFFICE FOR A SPECIFIC QUOTE.

Lead Times

4 weeks from receipt of purchase order, however this can fluctuate slightly depending on workload and times of year, but precise lead times will be confirmed on or just prior to receiving the purchase order and confirmed by an emailed order confirmation.

Maintenance

Rebel Yell frames are totally maintenance free, however we suggest that the following should be observed during the frame's lifetime: -

Only clean the frame with warm soapy water or a mild detergent solution. Harsh cleaning and bleaching products are not recommended.

Environmental Statement

The Tube creation Company do not hold any formal environmental accreditation; however, we do hold an Environmental Policy Statement to ensure effective management of activities with the potential to affect the environment. Based in rural North Yorkshire, close to the A1, The Tube Creation Company are still making metal furniture frames from our purpose-built factory which was extended at the end of 2019 to include a powder coating booth and a new timesaver 10 Series 1300 Manual Grinder with vacuum table. The Tube Creation Company is producing less quantities of waste and most waste is now either recycled or we employ companies which take away the waste and certificate us, keeping The Tube's impact on the environment down to a minimum.
