

Table Tops

Working alongside our sister company, Thirsk Tables, we are able to offer all our table frames with tops on one easy order.

We can also offer a huge range of solid wood, veneered and laminate tops.

Solid wood

We can supply tops made from ash, beech, oak walnut, maples, cherry, iroko and many other species all with any stain. Thicknesses ranging from 25mm upwards, at any size or shape, with cut out features for cable management. All of these made with the specific edge profile you require. For more details please do visit:

<https://www.thirsktables.co.uk/our-tables/solid-timber-table-tops/>

Veneer

We can supply veneered top including ash, beech, oak, walnut with inlays, cross banding, stringing sand quartered all with an edge profile of your choice

<https://www.thirsktables.co.uk/our-tables/veneer-table-tops/>

Lino

Desktop lino can be glued to any core and can be polished or unpolished.

<https://www.thirsktables.co.uk/our-tables/lino-table-tops/>

Laminate

Thirsk Tables hold accounts with all the major laminate manufacturers and so we can supply any core including MDF, chipboard, birch ply and solid laminate.

<https://www.thirsktables.co.uk/our-tables/laminate-table-tops/>

Our most popular range is through Egger

https://www.egger.com/shop/en_GB/interior/product-detail/LAMINATEMED#

There are two general standard thicknesses either 25mm MDF / ply core or 38mm chipboard core. All these can be offered with matching or contrasting ABS / PVC edging, or hardwood edging of any thickness.
